

The Crestmont Student Leadership team has expressed a desire to help give a happy holiday to families in need by participating in the annual **CHiPs for Kids Toy Drive.**

**Officer John "Mike" Harris will be arranging to have some barrels for drop off delivered after the Thanksgiving holiday.**

**We will collect new, unwrapped toys until December 11th.**

**At that time, Officer Harris and his team will come to Crestmont and be presented with your donations in a whole school assembly.**
