

Crestmont Cruisers Running Club

REGISTRATION FORM

This is a free year-long program that encourages students to develop healthy fitness habits. The students will run or walk at their own pace around a course on the playground Tuesday and Thursday morning from 7:45am – 8:15am (weather permitting). Parent volunteers will track mileage. There is a built-in award schedule in which the cruisers can earn toe tokens and other awards.

Running Club will begin September 27th. If you can complete marathon distance (26.2 miles) by May, you will earn a Crestmont Cruisers Marathon T-shirt and an invitation to the Marathoners Breakfast!

Benefits of participation in a regular exercise program include:

- Help students burn off excess energy
- Improved health
- Improved academic performance
- Improved self-esteem and body image
